

Point::AlertDestruction

Point::SetName

Point::Notify

```
graph LR; A[Point::AlertDestruction] --> C[Point::Notify]; B[Point::SetName] --> C;
```

The diagram illustrates a flow or dependency. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'Point::AlertDestruction' and the bottom box contains 'Point::SetName'. On the right, there is a gray rectangular box with a black border containing the text 'Point::Notify'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box. The arrow from 'Point::AlertDestruction' is positioned slightly higher than the arrow from 'Point::SetName'.
