

Line::GetEquation

```
graph LR; A[Line::GetEquation] --> B[LineImplementation::GetEquation]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is gray and contains the text 'Line::GetEquation'. The right box is white with a black border and contains the text 'LineImplementation::GetEquation'. A blue arrow points from the right side of the gray box to the left side of the white box.
